

Full Stack | JavaScript | Angular | React | PHP | Node.js | Laravel | Agile-Scrum | AWS

I am a passionate web programmer, having 7+ years of working experience in Web Development. I take great care to ensure each project is well-documented and easily maintainable so you can enhance a website as your company grows. My best strength is to learn new things very quickly. It will take a very short time for me to start work in a totally new environment.
